

# BLUE SHIELD

## SURFACE PROTECTION & UNDERLAYMENT PRODUCTS

### Surface Protection Products

#### Grade 3518 – Fiberglass Reinforced Kraft Paper

Tear resistant durability, moisture protection and absorptive properties that make it a highly versatile protective product.

#### FlameStopR – Fire Retardant Reinforced Kraft Paper

Fire retardant, passing NFPA 701, this reinforced paper also offers tear resistance and barrier.

#### SW-40 – Woven Reinforced Kraft Paper

Superior tear resistance in a flexible kraft paper. Optically pleasing with a white PE barrier coating.

#### F22 & F45 – Floor Protection Board

Impact protection in two different caliper options – 22 pt and 45 pt.

#### Grade XLT – Premium Surface Protection Fabric

Reusable, Robust protection product that sets the highest standards for durability, barrier, skid resistance and visual appeal.

#### Grade CF – Carpet Film

High quality, American made self-adhesive carpet film in a variety of sizes.

### Blue Shield F22

### Floor Underlayment Products

#### Grade 3030 – Asphalt Laminated Kraft Paper

Provides a premium semi-permeable underlayment for any solid surface flooring.

#### Grade AS – Asphalt Saturated Kraft Paper

Often called Black Paper, Grade AS is a reliable, semi permeable barrier underlayment paper.

#### Red Rosin Paper – Economical Underlayment

Provides a slip layer beneath flooring to reduce noise.

### Blue Shield 3030
